Backend:	Node.js Django REST APIs JSON
Frameworks & Libraries:	Redux Toolkit Bootstrap Tailwind CSS
Database:	MySQL SQL
Languages:	Python PL/SQL
Concepts:	Component-Based Architecture State Management CRUD Operations API Integration UI/UX Design
Tools & Technologies:	Git GitHub VS Code

PROJECTS

Interior Design Client Consultancy Website (Freelance, Real-World Project)

In Progress

Tech Stack: React.js, Node.js

- Designed and developed a consultancy website for an interior design client as a freelance project, from requirements to delivery.
- Built a responsive, user-friendly frontend using React.js to showcase services and enable client consultations.
- Developed the Node.js backend and integrated the WhatsApp API so client inquiries reach the business directly.

Weather App

Tech Stack: React.js

- Built a weather application in React.js that displays current weather conditions for a searched city.
- Used component-based architecture, state management and API calls to fetch and render live data.

Contact App

[Live Demo](#)

Tech Stack: HTML, CSS, JavaScript

- Developed a responsive contact management app with add, update, delete, search and sorting functionality.
- Implemented Local Storage for persistent data, dark mode and dynamic UI updates using JavaScript DOM manipulation.

Responsive Personal Portfolio

[Live Demo](#)

Tech Stack: HTML, CSS, JavaScript

- Designed and developed a responsive portfolio website to showcase skills, projects and experience.
- Implemented smooth scroll navigation, animated sections and a clean UI/UX across devices.

E-Commerce Website

Tech Stack: HTML, CSS, JavaScript

- Built a responsive e-commerce site with product listing, product details and a functional shopping cart.
- Implemented dynamic cart updates and quantity management using vanilla JavaScript.

Guess My Number Game

Tech Stack: HTML, CSS, JavaScript

- Developed an interactive number guessing game with game logic, input validation, score tracking and dynamic feedback.

EDUCATION

B.Sc. Information Technology (B.Sc.-IT)

University of Mumbai
